FOR YOU”**

ABOUT **JOBY KM**

Mr. Joby KM, Managing Director Launmark India Pvt Ltd has more than 16 years of experience in the laundry industry, with a strong record of building a solid foundation and a

highly dedicated team that deliver outstanding results. His extensive experience spans expertise in global sales, business development, and services.

In 2008, he entered into the laundry industry by the installation of washing, spinning and drying laundry machine at his hometown. His experiences have made him study thoroughly on this industry and to start consultancy of laundry machines in 2011. His service focuses on consultancy, classes, machinery service practical and trading programmes.

Now the brain behind the bravery has branched out to other countries and started consultancy in 6 countries other than India. The knowledge and skills he has acquired along his journey have made him one of the best laundry consultant at the global level.

ABOUT THE COMPANY

In 2008, Joby KM, the CEO of Launmark India Pvt Ltd, recognized the need for a perfectly organized laundry industry. And worked for a single company delivering laundry machines alongside the best services of the machines. His vision led to what quickly became one of India's leading laundry companies: Launmark India Pvt Ltd.

A D M I N I S T R A T I O N

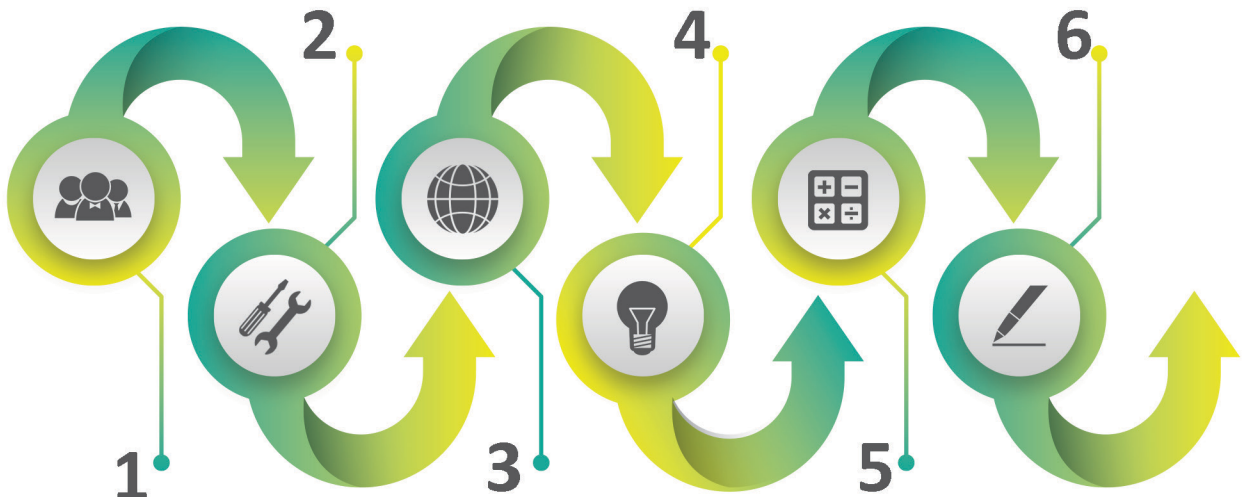

Mrs. Safna Joby, the second pillar of Launmark India Pvt Ltd working hard behind the growth of the company by handling regional and other branches. The role never limited to administration, her timely decisions and effective management strategies make the entire team most potential. And once again they prove that the team is the foundation of success.

D E P A R T M E N T S
