Flat Bed Press Heavy-Duty Flat Linen Ironing Machine

Steam & Electric Models

Product Detailed Description

The Launmark Flat Bed Press is a high-performance industrial ironing machine specially designed for pressing flat linens such as bedsheets, pillow covers, tablecloths, napkins, and curtains. Available in both steam-heated and electric-heated models, this machine ensures a crisp, professional finish for large-format fabrics. Designed with robust engineering, it also requires an external compressed air connection to operate its high-pressure pressing system.

Perfect for hotels, hospitals, resorts, garment factories, and commercial laundries, the Launmark Flat Bed Press delivers consistent results, high throughput, and excellent operator safety.

Key features

1

Powerful Flat Pressing System

Ensures wrinkle-free finishing of flat linen items.

2

Steam & Electric Models

Available as per installation and utility preference.

3

External Air Connection Required

Pneumatic press control for even, consistent pressure.

4

Large Heated Bed Surface

Accommodates wide linens for efficient pressing.

5

Digital Temperature & Timer Control

Ensures optimal heat and precision.

6

Energy-Efficient Heating System

Designed for fast heat-up and uniform temperature.

7

Ergonomic & Safe Design

Two-hand operation, emergency stop, and auto lift features.

8

Durable Steel Frame

Heavy-duty build for continuous industrial usage.

9

High-Quality Padding & Cover

For smooth glide and professional finish.

Machine Summary

The Launmark Flat Bed Press is the go-to solution for premium linen pressing in industrial and commercial settings. Whether you're a laundry operator, hotelier, or garment manufacturer, this machine ensures fast, flawless, and safe pressing every time. With steam and electric options, and built to work with an external air supply, it offers the flexibility and reliability that modern laundry operations demand.

Choose Launmark for precision ironing, efficient workflow, and long-term performance.
