Flat Work Ironer / Calendering Machine Roll-Type Linen Ironing Solution

Steam & Electric Models 1.6m & 2.0m

Product Detailed Description

The Launmark Flat Work Ironer, also known as a Calendering Machine, is an efficient, roll-type ironing system designed for finishing flat linen after tumble drying. Available in 1.6-meter and 2.0-meter working widths, and in both steam-heated and electric-heated models, this machine delivers high-quality, crease-free results for large volumes of flatwork such as bedsheets, pillow covers, tablecloths, and curtains.

Unlike traditional ironers, this machine is specifically designed to process linens after drying, making it an ideal choice for commercial laundries, hotels, hospitals, garment factories, and resorts that require fast, smooth, and uniform finishing of dry fabrics.

Key features

1

Available Sizes

1.6m & 2.0m ironing widths for different load volumes.

2

Heating Options

Steam and Electric models to suit different utility setups.

3

Suitable for Dry Linen

Designed to process linens after tumble drying, not for wet fabrics.

4

Roll-Type Ironing System

Ensures even pressure and smooth fabric feed.

5

Adjustable Speed & Temperature

User-controlled for optimal results across various fabrics.

6

Stainless Steel Roll & Chest

Ensures consistent heat distribution and long-term durability.

7

Ergonomic Feed-In Table

Smooth fabric insertion for easy operation.

8

Compact & Efficient Design

Ideal for small to mid-size laundry operations.

9

Safety First

Includes emergency stop and hand protection features.

10

Digital or Analog Control Panel

For temperature, speed, and operating mode.

Machine Summary

The Launmark Flat Work Ironer / Calendering Machine offers the ideal roll-ironing solution for professionals who demand speed, precision, and quality in their laundry finishing process. Whether you're operating a boutique laundry, hospital, or a mid-sized hotel, this machine enhances your output by delivering professionally ironed flatwork from dry condition—no re-washing or re-moisturizing required.

Choose Launmark for durable design, versatile performance, and a flawless finish—every time.
