# Industrial Front-Loading Washing Machine (Washer-Only Model)

*Heavy-Duty Commercial Washer for Uniforms, Hotels & Industrial Garments*

## Product Detailed Description

The Launmark Industrial Front-Loading Washing Machine is a dedicated washer-only unit designed for tough commercial loads where high-capacity washing is essential without the need for spinning. Built with a durable front-load drum, powerful wash action, and highly reliable control options, this machine is perfect for uniform care, hotels, hospitals, and industrial laundry operations.

# Product Highlights

1

## Industrial Grade Front-Load

Robust drum and heavy-duty construction ensure long-life performance for continuous commercial usage.

4

## Automatic Drain System (Optional)

Effortless water discharge for improved convenience and workflow efficiency.

2

## Control Options: Push Button / MDC Panel

Choose between a simple push-button interface or an advanced MDC controller for precise wash programming.

5

## Washer-Only Model (No Spin)

Dedicated for washing operations in units where spinning is handled separately through hydro extractors.

3

## Manual Water Inlet (Standard)

Allows full control of water levels and temperature as per fabric requirements.

## A Launmark Industrial Innovation

Designed under the expertise of Joby KM – The Laundry Man of India, this washer meets the practical, heavy-duty requirements of real-world commercial laundry environments across India and overseas.

### Box Includes

- Industrial Front-Loading Washer (Washer-Only Model)
- Control Panel (Push Button or MDC based on selection)

## Heavy Loads. Deep Cleaning. Zero Compromise.

The Launmark Industrial Front-Loading Washing Machine delivers powerful washing action and unmatched reliability — the perfect choice for any professional laundry requiring strong washing performance without spinning.
