Launmark Industrial Top-Loading Washing Machine (Washer-Only Model)

*Heavy-Duty Commercial Washer for Hotels,
Uniforms & Industrial Garments*

Product Detailed Description

The Launmark Industrial Top-Loading Washing Machine is a dedicated washer-only system engineered for high-volume laundry environments that require strong washing performance without spinning. Designed with a durable top-load drum, heavy-duty structure, and optional control upgrades, this unit is ideal for institutions, uniform laundries, and commercial facilities.

Product Highlights

1

Industrial Top-Load Washer

Large, rugged drum with smooth top-loading access for fast loading and unloading of linens and uniforms.

4

Automatic Drain (Optional)

Quick water discharge system for improved washing cycles and workflow convenience.

2

Control Options: Push Button / MDC Panel

Choose between an easy push-button interface or an advanced MDC controller for precise wash programs.

5

Washer-Only Model (No Spin)

Designed specifically for washing; spinning is done through a separate hydro extractor.

3

Manual Water Inlet (Standard)

Allows operators to control water flow and temperature as per fabric and soil level.

High-Capacity Washing. Simple Operation. Industrial Strength.

The Launmark Top-Loading Washing Machine delivers powerful washing performance for any commercial laundry needing a reliable washer-only solution.

A Launmark Industrial Innovation

Developed under the expertise of Joby KM – The Laundry Man of India, this machine is engineered for the real challenges of institutional and industrial laundry operations.

Box Includes

- Industrial Top-Loading Washer (Washer-Only Model)
- Push Button or MDC Control Panel (as selected)
- Drain Hose
- User Manual & Safety Guide
