Spotting Machine

*Professional Stain
Removal System for
Laundry & Garment Care*

Product Detailed Description

The Launmark Spotting Machine is a compact yet powerful stain-removal solution designed for professional laundry and garment care operations. Built with an dual spotting guns, and a stainless-steel work surface, this machine is ideal for tackling tough stains, grease, ink, oil, blood, and cosmetic residues from all fabric types.

Perfectly suited for laundries, dry cleaners, textile factories, tailors, and hotels, the Launmark Spotting Machine ensures precision stain treatment before the wash cycle, enhancing garment quality and reducing rewash needs.
