Vacuum Sleeve & Body Press Table with Inbuilt Steam Generator & Steam Iron Box

All-in-One Heavy-Duty Finishing System for Utility & Industrial Garments

Product Detailed Description

The Launmark Vacuum Sleeve & Body Press Table with Inbuilt Steam Generator is a complete garment finishing workstation designed for utility wear, uniforms, industrial clothing, and heavy-duty fabrics. Combining high-vacuum suction, ergonomic sleeve and body shapes, and a powerful inbuilt steam Generator with industrial iron, this unit delivers seamless pressing performance in a compact, plug-and-play setup.

Applications Across Industries

Government Departments, Police,
Defense Garment Care

Industrial Laundry Units & Uniform
Garment Pressing

Training Institutes for Industrial
Garment Care

Garment Factories (Sampling &
Production Finishing)

Tailoring Units Handling Workwear
and Utility Clothing

Hospitals, Hotels, and Facility
Management Services

Product Highlights

Heavy-Duty Steam Iron (Model 2128/ Equivalent)

Industrial-grade steam
iron with thermostat –
perfect for thick
and blended
fabrics.

Vacuum Sleeve & Body Press Table

Ergonomically
designed contours for
pressing sleeves,
shoulders, and
full-body areas.

Integrated Electric Boiler (5–10L)

Built-in automatic
boiler with float valve
and water pump for
continuous steam.

All-in-One Design

No need for external
steam source –
everything in one
compact, mobile
unit.

Heat-Resistant Padded Surface

Specially treated
fabric for handling
tough garments
without shine or
damage.

User-Friendly Controls

Independent
switches for vacuum,
boiler, and iron for
safe and precise
operation.

Key features

1

Tailored for Utility & Heavy Garments

Ideal for pressing jackets, overalls, lab coats, and uniforms.

4

Compact Design, Maximum Output

Perfect for units with space constraints that require industrial results.

2

Steam + Suction + Pressure – All in One

Integrated system for professional finish without needing separate machines.

5

Energy Efficient & Safe

Optimized for low power usage with inbuilt safety systems.

3

Rugged Construction for Continuous Use

Built to handle high workloads in commercial or institutional laundry environments.

A Launmark Innovation – Trusted by Experts

Developed by Joby KM – The Laundry Man of India, this machine reflects deep industry expertise, engineered to support real-world garment care needs, especially in the utility and industrial garment sectors.

Box Includes

- Vacuum Sleeve & Body Press Table with Inbuilt Steam Generator
- Industrial Steam Iron with Heat-Resistant Hose
- Accessories: Auto Water Feed Pump, Pressure Gauge, Safety Valve
- Power Cable & Control Panel
- Instruction Manual with Safety Guidelines

Engineered for Uniforms, Built for Performance

From police and military uniforms to factory overalls and medical garments, the Launmark Vacuum Sleeve & Body Press Table with Inbuilt Steam Generator gives your pressing operation the power, flexibility, and finish it needs — all in one space-saving, professional solution.
